Trey

Attached is the revised response to FDEP regarding third party language suggestions.

- We have the green light from OGC to transmit.
- OW staff have indicated that this looks good. We do not have word from OW at the AA level.

FDEP is awaiting this response before proceeding with rulemaking. As an update our prior conversation, FDEP indicated to Matt Hicks late last week that they would now prefer this response in writing.

I have included proposed language for you to transmit to Noah below.
